

Dear Mr. Halvorson,

On behalf of the Every Body Walk! Collaborative and America Walks, thank you so much for helping us start the 2017 National Walking Summit at our opening reception.

Your speech was truly one of the highlights of this year's National Walking Summit. As a founder of the walking movement and a leader who has shaped the work we do, you offered a unique perspective for our over 600 participants to consider as they kicked off their Summit experience.

Thank you for being with us and sharing your expertise with our attendees.

Best,
